NON-STICK CERAMIC COATED GRINDERS

## SLX GRINDERS STAY CLEAN

SLX is fully coated with non-stick ceramic particles, keeping your grinder clean and spinning smoothly

### ZERO TEFLON

SLX's ceramic coating contains zero Teflon or PTFEs. It's FDA approved, and won't hurt you or your herb.

### LIFT OUT SCREEN

SLX features a unique thread-less screen stage, so you don't knock kief out when you empty your grinder.

**HIGHTIMES**

"... this unit never sticks, and the teeth are designed for the perfect grind, delivering loose & light herb."
